Food Safety During COVID-19

Precautions to take when ordering delivery

1. Pay by credit card and include a tip in advance.

2. Instruct the driver to leave the delivery on your doorstep.

3. Remove food from takeout containers and dispose of packaging.

4. When done plating food on your own dishes, wash your hands for 20 seconds with soap and water.

5. Sanitize your table if takeout containers came into contact with it.

6. Wash your hands for 20 seconds with soap and water before consuming food.
